- > Creates documentation for conversations with students concerning courses or advisement.

MISSOURI

Other Items

- > Referrals
 - Connects students with service providers (e.g., tutoring)
- > Message
 - Allows instructors to email students or entire course.

Progress Surveys: Week-5 and Enrollment Verification

Progress Survey

Used for course verification survey by the Registrar's Office and Undergraduate Education

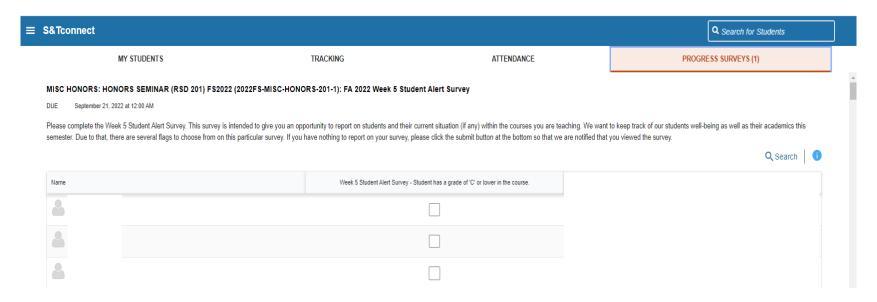

Ask instructors to verify certain information for students within their course by raising a flag.

Flag triggers intervention from campus service provider

Progress Survey

Enrollment Verification Survey

- *Purpose*: To verify students' enrollment in courses per Department of Education regulations.
- *Time Frame*: Friday, Jan. 30 to Tuesday, Feb. 11.
- Process: Mark students who have not attended or stopped attending class.
 Students are notified and the Registrar's Office will remove them from the course within 2 business days.

Week-5 Academic Alert Survey

- *Purpose*: To identify students who are struggling academically and connect them with appropriate campus support services.
- *Time Frame*: Wednesday, Feb. 12 to Sunday, Feb. 23.
- Process: Mark students who have a 'D' or lower in the course, accompanied by concerns regarding their potential to improve. Students are notified of the flag, academic advisors will follow up, and other student support services will connect as well.
