Mission Statement

We are dedicated to empowering every student through a welcoming environment that fosters engagement, well-being, and self-advocacy..

Society of Women Engineers (SWE)

Mission Statement: Empower women to achieve full potential in careers as engineers and leaders, expand the image of the engineering and technology professions as a positive force in improving the quality of life, and demonstrate the value of diversity and inclusion.

Spectrum – LGBTQ + Social Group

Mission Statement: To create and maintain an inclusive, safe, and accepting environment on our campus and in our community for people of all sexual orientations and gender identities. SPECTRUM will provide opportunities that educate people about issues pertaining to the LGBTQ+ community as well as prepare membership for their professions and communities through discussion and social interaction.

National Society of Black Engineers (NSBE)

Mission Statement: The mission of NSBE is to increase the number of culturally responsible Black engineers who excel academically, succeed professionally, and positively impact the community.

Society for Hispanic Professional Engineers (SHPE)

Mission Statement Mission: SHPE changes lives by empowering the Hispanic community to realize its fullest potential and to impact the world through STEM awareness, access, support and development.
