Conduct Referral Process

How to Report **Non-Academic** Misconduct

https://cm.maxient.com/reportingform.php?UnivofMissouriSystem&layout_id=9

Submit as much information as possible:

- Complete description of the incident
- Incident date and time
- Allegation summary
- Does it involve a student or organization?
- Other evidence or documentation

Example Non-Academic Standards

- Substantial Disruption of class, lab, or research
- Forgery or Furnishing False Information
- Direct Threats – serious intent of unlawful violence
- Theft, unauthorized possession, or safety hazard
- Alcohol or Drugs
- Failure to Comply
- Technology Misuse
- If you're not sure – we are happy to consult.

See full [Standard of Conduct](#)

Responding to Classroom Disruption

- Threats or crisis call 911
- Ask the student to cease the behavior
- Have a private conversation with the student
- Follow-up in writing on expectations and consequences
- Consult with your GTA Coordinator or Chair
- Maintain documentation – issues, efforts, communications
- Refer students who fail to comply

What Is Academic Integrity

*Commitment
to six
fundamental
values.*

Types of Academic Dishonesty

Cheating

Plagiarism

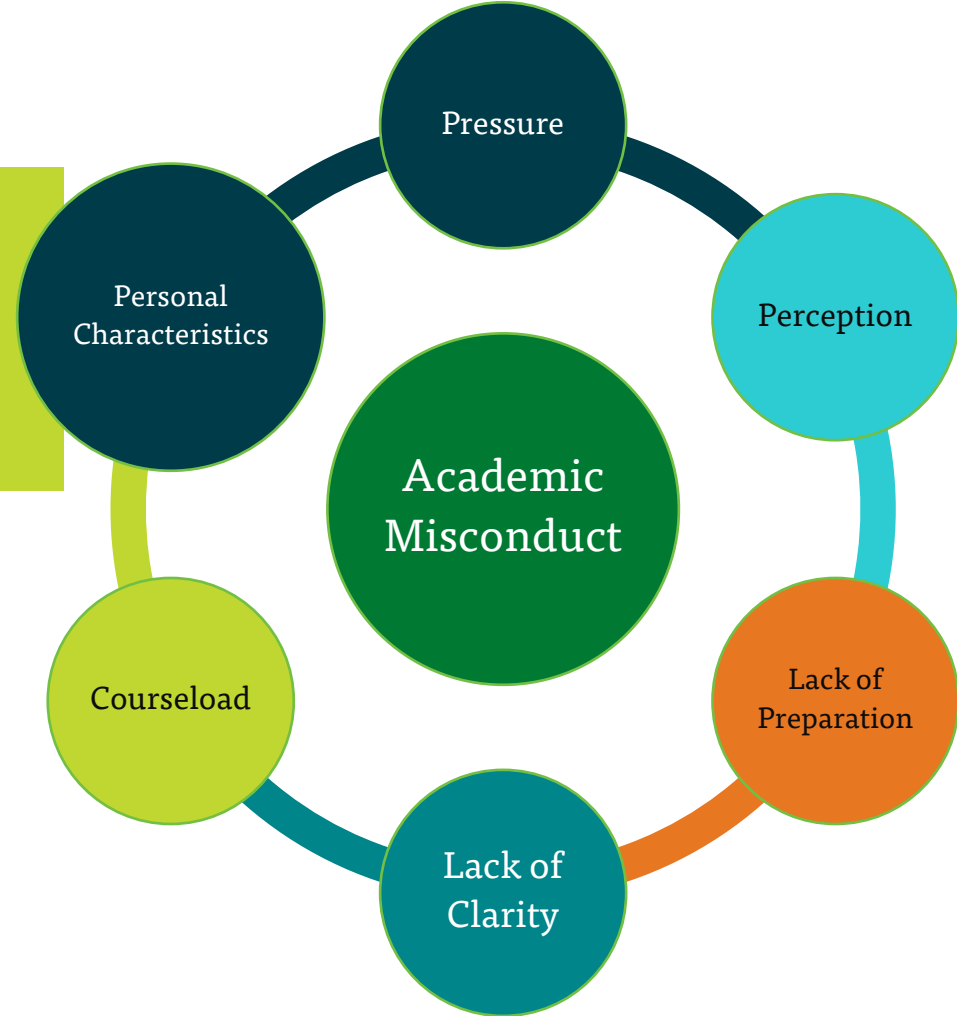

Sabotage

Unauthorized use of artificially generated content

Why Students Cheat

Why Submit An Academic Dishonesty Report?

*The wheel of academic integrity
(image credit: Briana Fraser)*

- Course and Curricular Integrity

Tips and Recommendations

For GTAs and Instructors

1

Infuse
integrity into
curriculum

2

Discuss
academic
integrity often

3

Include a
syllabus
statement

4

Discuss
possible
consequences.

5

Utilize
Turnitin

6

Report
suspected
violations.

7

Model
integrity, be
consistent.

AI & Academic Integrity

Steps to Support Student Success

- ▶ Create an AI policy for your course.
- ▶ Consult with GTA supervisor.
- ▶ Clarify what can be used and when.
- ▶ Show students how to properly use AI.
- ▶ Remember detection tools are flawed.
